

BluParty

The children's party planning company, based in Bucharest, Romania.

About us

We have a six years experience in party planning, exclusively for private children parties or corporate events that require children entertainment.

Our services include a large variety of entertainment programmes suited for all age groups and the specialized equipment for childrens parties. Our party teams include professional actors and entertainers.

Foreign Languages

Most of our programmes are available also in English, and many of them in French, German, Russian and Spanish.

Quick review of our services

Detailed informations and photos/videos for most of our services are available on our RO website, but our party planners will be glad to recommend and advise you on the best suited programmes for your children's age and your party location. Here is a short list of some of our entertainment programmes and equipment:
